Now available at the Sheraton Vancouver Wall Centre

Since 1992 Canadian Outback Adventures & Events has provided progressive organizations like yours with a unique suite of cost-effective team building events, all planned and executed with extraordinary attention to detail. Your company, like any progressive organization, understands the advantages derived from teambuilding initiatives, such as improved morale, increased productivity and reduced staff turnover, and that continued investment in staff morale is of increasing importance in today's changing workplace.

Booking your next event at the Sheraton Vancouver Wall Centre is a great business move. It is the perfect location to host any size event. The Sheraton's Grand Ballroom is a technological multi-million dollar marvel. The two additional versatile ballrooms and over thirty meeting, dining and breakout rooms create the perfect meeting setting, no matter what your specific requirements. From small gatherings to large meetings, trade shows and special events, their meeting specialists will work with you to ensure your expectations are exceeded.

Including one of our team building events in your itinerary is also a great business decision. The Sheraton Vancouver Wall Centre is ideally located to experience all that Vancouver has to offer. Due to all the great amenities and proximity to unique areas such as Yaletown, Granville Island, Robson Street, as well as others, all of these interactive team events can take place at or start and finish from the hotel: The Green Team Eco-Challenge, The Apprentice, CI: The Crime Investigators, The Amazing Chase, Secret Agent 007, Iron Chef BBQ Challenge, GPS Geocache, Art Smart, and custom events.

Our various team building initiatives are chosen by well-known companies such as PricewaterhouseCoopers, Bell Canada, Home Depot, TELUS, Nokia, BDO, Rogers and Microsoft. We are also a preferred supplier to many of Canada's top destination management companies and event planning agencies.

"The participants were amazed and excited about their experiences during this event. What an impact on our team's morale! To say that your team exceeded our expectations is but stating the obvious. I am so thrilled to have worked with such a fabulous group of professionals."
